

Sibusiso Makaula

ICT Applications Development Graduate

makaulasibusiso06@gmail.com · 0743398459 · Cape Town · Nationality: South African

PROFESSIONAL SUMMARY

ICT Applications Development graduate from Cape Peninsula University of Technology with full-stack development experience using Java, Spring Boot, React, Vue.js, and MySQL. Strong foundation in object-oriented programming, RESTful API development, and database design. Experienced in building scalable, data-driven applications through academic projects in Agile environments. Eager to contribute to a software development team and grow as a junior developer.

SKILLS SUMMARY

programming Languages: Java

Frameworks & Libraries: Spring Boot · Vue.js · React

Databases: MySQL

Tools & Platforms: Git · GitHub

Concepts: Object-Oriented Programming (OOP) · RESTful API · Agile Methodology · Test-Driven Development (TDD) · Database Design · API Integration

Soft Skills: Team Collaboration · Problem-Solving · Adaptability · Time Management · Communication

PROJECTS

Subject Tracker System

Jun 2025 – Nov 2025

Cape Peninsula University of Technology · Cape Town

- Developed a full-stack web application using Java (backend) and React (frontend) to help students track subjects and monitor academic performance
- Implemented full CRUD functionality for managing subject data and marks
- Designed and developed RESTful APIs using Spring Boot for data processing and performance calculations
- Designed and optimized a MySQL relational database for efficient data storage and retrieval
- Used Git and GitHub for version control and collaborative development

Full-Stack Web Application (Capstone Project)

Feb 2025 – Dec 2025

Cape Peninsula University of Technology · Cape Town

- Designed and developed a full-stack web application using Spring Boot (backend) and Vue.js (frontend)
- Implemented RESTful APIs to enable communication between frontend and backend systems.
- Designed and normalized a MySQL relational database schema for reliable data storage.
- Applied Test-Driven Development by writing unit tests using JUnit.
- Collaborated in an Agile team environment using Git and GitHub for version control.

EDUCATION

Diploma In ICT Applications Development

Feb 2018 – Dec 2025

Cape Peninsula University of Technology · Cape Town

Higher Certificate in Information and Communication Technology

Feb 2017 – Dec 2017

Cape Peninsula University of Technology · Cape Town

LANGUAGES

English · Xhosa
